All sessions
8:55am - 3:20pm

Students spend each day with specialist teachers participating in secondary learning including a sport session.

All students will experience every subject our school has to offer and participate in team building, aspirational and orientation activities.

Students are required to bring a pencil case, water bottle, recess and lunch with them.

The school canteen will be open.

Integration Meetings

For parents of students who require a personalised transition plan, please call and arrange an appointment so that we may put in place appropriate transition programs.
