TEACHER

KAIYA JONES

Kaiya has over 14 years professional acting experience including roles on shows such as Neighbours, The Saddle Club, Party Tricks, Miss Fisher's Murder Mysteries and Harrow.

In 2018 Kaiya completed her Masters in Professional Acting at The Bristol Old Vic Theatre School.

As a director, Kaiya has written and directed two award winning short films; both with young actors in the leading roles. Currently she is developing a feature film and a radio play.

Kaiya continues to work as an actor and mentors young professionals and their families to deal with the industry demands. She just wrapped on Scott Major's feature film *SHAME* as a Youth Support & Performance Coordinator.

She is an outstanding teacher and an amazing person who only wishes the best for her students and I have grown immensely as an actor and a person. -Student

Kaiya Jones has helped me learn the best ways on handling showreels, self tapes, script techniques, understanding the character, warm up techniques. It's also given me more confidence in performing in front of the camera. I have learnt a lot in these 8 weeks. -Student

My son is always complimented on his acting ability but I have to credit so much of that to Kaiya's expert instruction. Because it far exceeds that of some of the top acting schools and instructors. -Parent
