

Kelly Club Aitken

Newsletter

Term 4 Week 7 2019

Over the past few weeks in Kelly Club the children have enjoyed many themes, crafts and activities. Some of the themes they have enjoyed have included a Halloween theme, Australian Animals theme and a Suggestion week.

Some suggestions that the children came up with were dinosaur week, insect crafts, Roald Dahl week and cooking. We incorporated some of these suggestions in after school care this week.

As well as these activities, some of the children have also enjoyed footy skills with our Kelly Sports coach. They have also challenged their minds this week with rubix cubes, lego and attempting to complete a 500 piece puzzle.

We look forward to enjoying some more activities together during the last few weeks of school.

REMINDERS:

- *Please remember to sign-out your children using the Xplor Care app. Alternatively, you can use the Kelly Club iPad located on the information table.*
- *We are now taking bookings for our holiday program. Please refer to the flyer provided in this newsletter or printed in our room.*
- *For all Kelly Club announcements and posts please check the notification section of your Xplor app.*
