

S816 Morning School Bus Route Alteration

As part of our ongoing commitment to schools within Thurgoona area, Martins Albury has reviewed the S816 morning service.

Due to increased traffic congestion within Thurgoona, the service will commence **seven minutes earlier** than the current timetable. This change, **commencing Monday 3rd August 2026**, is to ensure students arrive at their schools at the scheduled times.

A section of the route (see right) around **Table Top Road and Kosciuszko Road** has also been modified to improve access to students living south of the current route; including those in the **Richmond Drive and Hillford Circuit** areas.

Students from these areas will be able to board the S816 service at **Kensington Gardens** at **08:20am**.

Updated timetable and route information is available overleaf.
