

# OPEN DAY

2024

**ATTENTION** ALL ASPIRING APPRENTICES,  
FUTURE PROJECT MANAGER TRAINEES, SKILLED  
INSTALLERS, AND TALENTED SIGN BUILDERS!

Are you ready to step into the dynamic world of signage creation? CV Media & Signage are opening their factory doors wide for an exclusive behind-the-scenes experience that could shape your career!

## APPRENTICESHIP HANDS-ON WORKSHOPS

Discover how you can refine your skills through our apprenticeship program. Work alongside our experienced professionals in our hands-on workshops, gaining the expertise to excel in the art of signage fabrication and installation. Roll up your sleeves and unleash your inner signwriter!

## PROJECT MANAGER TRAINEESHIP INFORMATION SESSION

Are you a dynamic go-getter interested in the world of project management? Join our information session to learn how you can kickstart your career as a Project Manager in the signage industry. Discover the ins and outs of the traineeship program, meet our experienced project managers, and explore the path to overseeing extraordinary sign projects from concept to installation.

## INSTALLER & MANUFACTURER CAREER PATHWAYS

Are you ready to contribute to a legacy of excellence? Explore the possibilities of joining our team as a Signage Installer or Manufacturer and enjoy a guided tour with the team to get a sneak peek into life at CV!
