

Dates to Diarise in Term 3

- **Year 12 VTAC timely applications** – throughout August and September
- **VTAC SEAS and Scholarship applications** – throughout August and September

Deakin Campus Tours – September School Holidays

Your future campus isn't just where you'll be attending lectures. It's an inspiring environment that gives you all the tools you need for success, including future-focused facilities that support every aspect of your learning. Explore spaces where you can connect with friends old and new, join clubs, play sport, and have fun enjoying the full university experience. There's only one way to choose a uni. You've got to experience it for yourself, and we are excited to announce that Deakin is open for campus tours.

Deakin Campus Tours will allow students and their families to experience their preferred Deakin University campus through a tailored tour, during the upcoming school holidays. Guests will join a 45-minute tour with a current Deakin student and get a first-hand look at the cutting-edge facilities and have all their study questions answered.

The September school holiday program will run from 18 – 29 September and will be held at all four Deakin campuses: Burwood, Waurin Ponds, Waterfront and Warrnambool.

To find out more information about the Deakin Campus Tours and to register your attendance, please visit [Deakin Campus Tours](#).

New Bachelor of Digital Construction Management

Commencing in 2022, Swinburne will be offering the **Bachelor of Digital Construction Management**. This course will equip students with skills to *learn to identify and use various digital technologies and sophisticated techniques including modelling and simulations for a range of construction management aspects such as time, cost, quality, productivity, safety and sustainability.*

This degree will also include guaranteed real industry experience in the form of placements, internships, or industry-linked projects. Graduates of the course will be able to pursue careers in a range of professional roles such as construction management, measuring and

estimating, cost planning and controlling, quantity surveying, building surveying, construction planning, project scheduling, project management, quality and safety management, construction site operations and supervision, procurement and project delivery, contract administration, risk management, building information modelling and application of digital technologies in construction.

The VCE prerequisite: Units 3 and 4: a study score of at least 25 in English other than EAL or at least 30 in English (EAL). Students who attain an ATAR of 65.00 or higher and complete all the requirements for this course, you will be guaranteed an offer.

A NEW
SCHOOL OF
THOUGHT.

VU Polytechnic Sports Pathway to VU Degrees

Victoria University Polytechnic, VU's vocational education provider, offers several sport and fitness courses, including the [Diploma of Sport](#). This replaces the Diploma of Sport and Development, and now provides learning outcomes for students in the areas of:

- sports integrity
- sports event planning
- and customer service

The Diploma of Sport can also pathway into VU higher education courses, including:

- [Bachelor of Exercise Science \(Clinical Practice\)](#)
- [Bachelor of Physical Education and Sport Science](#)
- [Bachelor of Sport Science](#)
- [Bachelor of Sport Management / Bachelor of Business](#)

News from the University of Sydney

➤ Admission Pathways

Find your pathway to university. Learn more about our entry schemes and pathway options to your dream course. We want you to make the most of your ATAR, so we also recognise circumstances such as significant educational disadvantage, high school achievements and activities throughout entry schemes.

- [Aboriginal and Torres Strait Islander students](#)
- [Educational disadvantage and disruption](#)
- [Elite athletes and performers](#)
- [Financial hardship and regional students](#)
- [Portfolio and audition pathways](#)

Find out more at [Admission Pathways](#)

➤ **The Future Leaders Scheme**

The University of Sydney's [Future Leaders Scheme](#) recognises leadership and academic achievement. The Future Leaders Scheme recognises these qualities and allows **school captains and dux students** to gain entry to eligible courses with a lower ATAR.

Eligible courses available through the Future Leaders Scheme and the ATAR requirements can be browsed below:

- [Architecture, design and planning](#)
- [Arts and social sciences](#)
- [Business](#)
- [Education and social work](#)
- [Engineering and computer science](#)
- [Law](#)
- [Medicine and health](#)
- [Science](#)
- [Excluded courses](#)

School captains

To be considered for the scheme, you are required to submit documentation that demonstrates your appointment as school captain in your application. Accepted supporting documentation examples include:

- Letter (on official letterhead) signed by your career advisor, Year 12 coordinator or principal, which confirms your appointment as school captain
- An official report card that confirms your appointment as school captain.

Complete the University of Sydney [application form](#) by the closing date and place the course you wish to be considered for under the Future Leaders Scheme as your highest UAC preference in the main offer round for school leavers (December Round 2).

Applications are open, and close on **29 November 2021**.

Dux student

Dux students are not required to submit support documentation as they will be automatically selected for the scheme.

➤ **Academic Excellence Scheme**

Recognising achievement by rewarding academic excellence. The Academic Excellence Scheme recognises high performance in English and mathematics by applying adjustment factors to boost your selection rank.

The **Academic Excellence Scheme** was introduced in recognition of domestic students who achieve high performance in higher levels of English and mathematics by applying adjustment factors to boost their selection rank for eligible courses. A student's ATAR will not change, however, their selection rank can increase for particular courses based on these subject-related adjustment factors.

To be eligible, VCE students must attain a minimum study score of 35 in English or Literature, and a minimum study score of 35 in Maths Methods or Specialist Maths. There is no separate application. Students who are eligible, and who have applied through UAC to study at the University of Sydney will automatically be considered.

Find out more at [Academic Excellence Scheme](#).
