

Experts by your side.

Bush & Campbell Accountants

Accountancy Cadetships - 2020

What if you could gain on the job training whilst completing your tertiary studies at the same time? Imagine how ahead of the pack you would be!

The Bush & Campbell Cadet Program has provided school leavers and university students the unique opportunity to build their knowledge and experience with access to leading industry training and a dedicated team. Of course, nothing worth having comes easy. The work can be challenging and you will have to manage your time but there's a lot of support too, and the opportunities will stay with you for life.

Our Cadetship experience will provide you with the opportunity to work with a diverse range of clients, gaining valuable skills to hands on learning while completing your accounting degree by distance education. Our team of accounting experts will mentor and provide guidance throughout your career.

The benefits and working conditions we offer our cadets include:

- Valuable on-the-job training with experienced trainers
- On-going mentoring systems
- Annual pay reviews
- Payment of subscribed text books
- Time off work to study for and attend exams
- Access to in-house and external training courses
- Access to our library resources

Successful applicants will commence early 2020. HSC applicants do not need to wait until their university place is confirmed but offers of employment are subject to university acceptance.

We invite enthusiastic and highly motivated people with strong interpersonal skills, leadership abilities and an active interest in extracurricular activities to become part of our friendly and supportive team.

Your development is at the heart of our Cadet Program. In short, it is the foundation of success – yours and ours. If you have a strong academic background, strong communications skills, positive, helpful and solution driven mindset please email jcentrella@bushcampbell.com.au your letter of application, resume and academic transcripts or send by post to:
