

Primary Sketch and Write Competition for Years 3-6

My Name: _____

My Class: _____

Task: Students will design an outdoor space that promotes gross motor skill development, fun and encourages participation in a variety of sports for all abilities.

There will be a winner in each grade for the most appropriate, creative and/or persuasive design for the new outdoor sport area.

Please label your sketch and write a maximum of 450 words on how your design will encourage participation and teamwork, build gross motor skills and create a fun area for all Primary students. Please also try to consider any additions to support student safety while using your facility.

This is due after the holidays and can be handed to Mr Millman or Mrs Hatton by the Friday of week 2.

Hint: *The chosen design **does not** include a pool or water activities.*

Sketch with labels
