Catholic Education Tasmania

Authorisation for the Administration of Medication at School

This form is to be used when a student requires administration of medication during school hours where the medication is not covered under a medical action plan.

This form

a. Provides authorisation for the school to administer medication to your child.
b. Provides parental/guardian permission for your child to self-administer medication.
c. Provides medical approval for your child to self-administer medication. Section B must be completed by a doctor, dentist, optometrist, the pharmacist dispensing the medication or a practice nurse from the prescribing doctor's surgery.

SECTION A: Medication instructions - To be completed by parent or guardian
