WEEKLY CAREER NEWS - WELCOME

You have just come back to school and if you are reading this, chances are that you are thinking about exploring your career and pathway options. It's never too early to start thinking about career ideas, researching your options, developing a career action plan, or simply having a discussion with your Career Adviser.

If you are in Year 12, it is essential that you discuss your options with the key people in your life as soon as possible. Have no idea what you would like to do when you leave school? No stress! Don't delay seeing your Career Adviser- now is the perfect time. Not sure what to say? Don't worry- it's their job to guide you and open up possibilities you may not have considered before.

As a starting point, if you are interested in studying at **university or TAFE** in the future, please find to the right links to Facebook and YouTube accounts of several Victorian institutions.

It is important to know that Swinburne University, RMIT, Victoria University, and Federation University have both university and TAFE divisions and that many TAFE institutes offer university degrees!

If you are interested in pursuing a **traineeship or apprenticeship** pathway, it is important that you gain as much industry experience as possible. You can undertake work experience once you turn 15 years old.

Seeing your Career Adviser early in the year is important to ensure you can get organised early and to be able to start making links with local employers.

It is important to read the Weekly Career News each week to ensure that you keep up to date with upcoming career events.

APPRENTICESHIP & TRAINEESHIP NEWS

Planning on securing an apprenticeship or traineeship at the end of the year? Even though you have just started the schooling year, your planning should start now. Australian Apprenticeship Pathways have developed an excellent four-step guide to assist you to start planning - <http://bit.ly/2E2R7T2>

Read through Step One and take the work type explorer quiz, download the AusAppPathways app to your phone, and complete practice aptitude quizzes to ascertain the level of literacy and numeracy skills you will need for different occupations.

You can also do the following during the year to prepare for an apprenticeship:

- Meet with your Career Adviser to start planning your professional trade career
- Undertake work experience in several fields or with several employers in the same field. See your Career Adviser for information on how to organise work experience.
- Contact industry leaders and associations in your fields of interest to ask questions.
- Contact local apprenticeship centres and/or group training organisations to ask their advice on what makes a competitive apprenticeship applicant. Use the following website to locate organisations in your local area <http://bit.ly/2rdQlci>
- Work hard in your English and Mathematics classes and VET/technology/science subjects if relevant. With advances in technology occurring across all apprenticeship fields, it will be crucial that you can read and interpret complex information and instructions, and adapt to changes in technology during your apprenticeship and once qualified.
- Sign up to social media pages for industries you are interested in to keep up to date with changes to industry technology, skills shortages, and events. For example:
