

LNSC is a great place to learn because at this school they have a great support system.

The principal loves and tries to interact with parents and students as much as possible.

Teachers at LNSC are always so devoted to teaching, and making sure students are ok.

Every morning I walk into the school gates greeted by every teacher that walks by.

To sum it all up the school makes me feel welcomed and safe.

THANK YOU-LNSC

Angelica, Yr 8
