Around the Grounds

6A

The 6As showed plenty of character to withstand plenty of pressure from a determined ATC to record a 4-1 victory in a tighter contest than the score line suggested.

6B

The boys in the 6Bs showed plenty of heart and courage, against a dogged ATC, to secure their first win of the regular season and avoid two consecutive losses. The win was spearheaded by some exciting midfield and attacking play that was perfectly complemented by a defensive masterclass to ensure that we came away with a clean sheet.

The greatest strength of the team is their ability to come together and play as one, it's a pleasure to coach a team that breathes the Ashgrove spirit. Definitely worth watching every Saturday.

6C

What a nail-biting game! Thomas Deem scored a beautiful goal in the first half, and saved a number of goals as keeper in the second half. ATC secured a goal in the last 10 minutes of the match to bring the score to 1-1. In the last 30 seconds, Jack Rosenberg was tripped by an ATC player which resulted in a direct penalty in front of the goal. Charlie Cook successfully kicked the goal to secure the team a 2-1 win. Well done 6C team!

6 Gold

A fantastic win for the 6 Gold team against Villanova. They were brilliant in both attack (playing like they'd been together for years) and defence. Four goals to Archie Langer, two coming from great assists by Mason Irving and Jack Marshall. Mason had a great game, working particularly well to steal the ball from the opposition goal kicks and send it back into our attacking half. Nikolas Vavra-Quintanilla showed his style and strength with excellent corner kicking. And Jack scored the GOAL OF THE SEASON: Hitting the ball so sweetly (from the right side of the field) to see it fly over the top of the Villanova wall, above the Keepers hands and into the top left corner of the goal. What a shame we didn't get that one on video, Jack! Finally, it was heart-warming to see the young men in this team play and celebrate this win with grace and style, without feeling the need to show off nor embarrass the opposition.

6 White

The mighty 6 White had a well-deserved victory vs. SLC, winning 3 – 0 in what can only be described as a 'team on fire'. With much assistance from team-mates, Matt Henselien scored 2 goals (though one was quite a solo affair) with Declan Barbaro scoring the third. My congratulations to the team for being willing to take on the feedback from last week and for executing it to perfection. All players put in a solid effort with special mention to Sam Turvey for his skill in taking the ball into the opponent's half, to Jack Marshall for his determination to continually challenge the opposition, to Caleb Van Coeverdand & Carter Gibson for their 'safe hands' and expertise in the goal, to Julian Lewis, Lachlan Chandler, Harry Hind, Chris Fowler & Tom Lynn for their unending defence and for blocking SLC from getting the ball too near our goal. A great game team, congratulations!

5A

A tight opening half saw Marist go up 1-0 at half time. After adding to the lead after half time ATC mounted a comeback to see the game finished as a draw.

5B

A dominant string of early possession saw Marist lead at half time. Good team play saw Marist score a second goal. A miracle save from defender Cooper Baker, off an indirect free kick, saw the game finish as a good 2-0 win.

5C

Another wonderful team performance from the 5Cs resulted in them coming away with the victory against ATC. Particularly, a strong defensive display from the backline (Jasper Belyea, Isaac Long, Cooper Norlander, and Remi Sakzewski) set the tone early, continually repelling any chances from a much-improved Ambrose Treacy team. Once more, the selflessness of the Ashgrove boys was on show, with seven individual goal scorers in our 7-0 victory. At full-time, almost every player was able to raise his hand and acknowledge his contribution in allowing another player to score. Keep up the amazing team-first mentality boys!

5 Gold

5 Gold started well against ATC on Saturday fighting hard to level the score after conceding an early goal. The score remained tied at 1-1 until the break after Oscar Persson ran the whole length of the field to score Ashgrove's leveling goal. The game remained close until halfway through the second half when ATC started to pull in front. Some quick late goals saw the score finish at 4-1.

5 White

A much-improved performance this week from the 5 Whites saw them defeated narrowly, 3-2. The improvement was evident across the whole team, and it was great to see. Roman Kerwin-Torrissi played very well scoring Marist's 2 goals also Ryan Williams had a great performance in goalkeeper setting up our attacks.
