Free Year 11 & 12 Workshops in School Holidays

Due to their popularity in the April school holidays, Photographic Studies College is hosting two *free* workshops specifically tailored for Year 11 & 12 students during the winter school holidays.

Workshop 1 will explore experimental photography and will be held in PSC's studio space. Students will have an opportunity to use the equipment and facilities.

Workshop 2 will be about uncovering street photography in the streets of South Melbourne and the CBD.

Date: Wednesday 28 June – Workshop 1
Thursday 29 June – Workshop 2

Time: 11.00am – 2.00pm

Venue: 37 - 47 Thistlethwaite St, South Melbourne, VIC, 3205

Lunch will be provided for both workshops.

To register, students can click on [Year 11 & 12 Winter Workshops - Photography Studies College](#).

Bachelor of Education Studies

The [Bachelor of Education Studies](#) is a 3-year generalist degree that prepares students for work in Learning and Education and discover more about the education system. This degree will qualify students to work in many roles including as an Education Officer developing programs for a wide range of industries or as an Education Support Officer (Integration Aide) working to support students within a school setting.

Importantly, this degree is an **excellent pathway into a teaching degree** for students who do not meet the prerequisites to go straight into a teaching course. At the completion of first year, and if good academic grades have been maintained throughout the year, students may be eligible to apply for a transfer into the second year of a FedUni teaching degree. This also means that students may still qualify as a VIT registered teacher within 4 years of study.

Are you a high school student that wants to find out more about studying at RMIT? Come along to our tours during the school holidays and take a look around our City, Brunswick or Bundoora campuses.

In the upcoming school holidays, RMIT will be hosting campus tours at City, Brunswick, and Bundoora.

ACU has introduced four *new* commerce degrees in 2023.

- Bachelor of Commerce (Accounting)
- Bachelor of Commerce (Data Analytics)
- Bachelor of Commerce (HRM and Management)
- Bachelor of Commerce (Marketing).

When students begin, they will get a solid grounding in business skills with ACU's unique business foundation program, co-created with industry. Students will then focus on their area of specialisation, studying 12 units as opposed to 8 units in a standard major.

ACU has also retained all the important features of its Bachelor of Commerce, with:

- multidisciplinary foundation units before students move onto their chosen specialisation
- Microsoft certifications embedded into each of the degrees
- Future Ready – our structured three-year program and roadmap to success, co-designed and recognised by industry
- embedded global virtual classrooms, giving students the opportunity to experience international study without the need to travel, plus the option to study abroad with two business units offered at our Rome Campus during the July holiday break
- two industry placements – one in second year to develop their transferable employability skills, and one in third year focussing on their chosen profession
- major professional accreditations
- the flexibility to change course between programs if the student's interests change.

Students keen on finding out more should browse [Four Bachelor of Commerce specialisations ACU](#).

A Day at Melbourne

Year 11 and 12 students are invited to experience a taste of university life by joining us at our Parkville campus for A Day at Melbourne.

Throughout the day students will have the chance to take part in two areas of study workshops of their choosing, sit in on a panel of current students to hear about their experiences, speak to staff one-on-one about their study interests, discover the broad range of student clubs and societies, and participate in student accommodation tours.

This event is for students only. Students can select their preferences for Workshop 1 and Workshop 2. Capacity limits apply, so register soon.

See the full day agenda and information regarding each session at the link below.

Date: Wednesday 28 June 2023

Time: 9:00am - 2:30am

Location: Arts West Building (Building 148), Arts West, Uni Melbourne in Parkville

Registration is essential and spaces are limited.

Career in the Australian Border Force

The ABF regularly recruits for **Entry level - Border Force Officers**. The Border Force Officer Recruit Training (BFORT) program is an entry level program, which prepares applicants for a career in the Australian Border Force (ABF).

The ABF undertakes varied and challenging work and is looking to attract people with a wide range of skills, capabilities and experience. People are encouraged to apply if you want to:

- play a critical role in protecting Australia's border,
- be part of a diverse workforce that represents the community the ABF serves,
- are willing to commit to the ABF values and behaviours,
- maintain a high level of integrity and professionalism.

To apply for a Border Force Officer Recruit position applicants must:

- be an Australian citizen - you must show evidence of this during the recruitment process,
- be 18 years of age or older when applying,
- have a minimum Year 10 Certificate with a Cert IV/Diploma level qualification or Trade Certificate and/or relevant work experience,
- be able to obtain an [Australian Government security clearance](#) and an [Employee Suitability Clearance](#).

Working for the Australian Border Force (ABF) provides the opportunity to work across the country or the world. Recruits will be on the front-line protecting Australia's border, whether it be:

- processing passengers at an air or seaport
- clearing cargo at an air or sea port
- clearing mail at a clearance centre
- patrolling the Australian coastline in an ABF vessel
- working at a district office
- investigating illegal border activity
- working at a detention centre
- locating and detaining unlawful non-citizens.

The ABF typically advertises BFORT positions several times per year, however this can change due to operational priorities. When applications are open, an 'apply now' button will be featured on the Overview page. This will take applicants to 'Home Affairs Career Opportunities' page where an application can be submitted.

Students are encouraged to browse [Entry level - Border Force Officer Recruit](#) to learn more, including salaries, etc., and to keep updated about when applications will next open.
