

SEASIDE

DISTRICT

TENNIS TOURNAMENT - 'SSV'
Tuesday 16th March, 2021

February, 2021

Dear Parents,

Students in the Seaside District are eligible to compete in the School Sport Victoria Tennis Championship (Primary). The district is able to send 2 players in the girls competition and 2 players in the open competition. **This is not a part of the interschool Hotshots Tennis competition but a singles event for players familiar with full court tennis.**

Selection will be determined through a District Tennis Tournament held at the Royal Avenue Tennis Courts, Sandringham on Tuesday 16th March.

The competition will be a knockout tournament with the last 2 players being selected to represent the district. Players knocked out in the early rounds will have the opportunity to play further games with other knocked out players and all players have the choice to return to school at the completion of their game or remain to watch the final match.

The open* competition will start at 8:45am and players are required to confirm their registration at the club house at **8:30am**.

The girls competition will start after 11:00am. Please register at the clubhouse before **11:15am**.

At registration players will need to pay \$20 for the facility hire and confirm their registration details. No new entries will be accepted on the day.

*Both boys and girls may enter the open competition. Girls may not enter both competitions.

If you would like your child to participate in the selection trials the attached form must be completed and returned to your PE teacher at school **NO LATER THAN 9.00am Friday March 5th. (LATE ENTRIES WILL NOT BE ACCEPTED)**

To be eligible to enter these trials students MUST be playing competition tennis. Their coach must supply formal verification of club membership and grading.

In the unlikely event of there being more than 32 entries in either competition applications will not be accepted by the following priority. Lowest year level students, lowest grading, lowest team position.

You will need to make your own arrangements for transport of your child to and from the trials (located at the Royal Avenue Tennis Courts, Sandringham). Students will need to dress sunsmart (hats are not compulsory while playing). Spectators must comply with covis safe practices.

The next round of the SSV Tennis Tournament will be a Kingston Division Final and continues on until it reaches the Victorian State Final.

The date for the Kingston Division Final is to be confirmed and will likely take place at Maccabi Tennis Club (tentative date April). More details for the finalists will follow once our Seaside District event is completed.

Please contact your Physical Education teacher at school if you require any further information at this stage.

Application for Seaside District Tennis Championship 2021

Name	
Sex	M /F
Date of Birth	
School	
Tennis Club	
Grading: eg BOYS9
