

# LIBRARY NEWS!!!

Welcome to 2026! Term 1 is going to be very busy in the library!

- Library bags were not included in the Book Lists for this year. Because of this we are asking that students in Prep, Year 1 and Year 2 bring a library bag from home. These bags need to be clearly labelled with your child's name and grade. ***Please note that if students do not bring a library bag to school then they will not be able to borrow a book to take home.***
- Borrowing should be up and running for all students from Year 1 to Year 6 next week. **The Prep students will begin borrowing in March, once they are at school 5 days a week.**
- Coincidentally, this term in Library lessons all authors being discussed with students are from England. The Prep students will be looking at the popular "Mr Men" and "Little Miss" books by authors Roger and Adam Hargreaves, while the Year 1s are focusing on books by David McKee. The Year 2s will be discussing books by Anthony Browne.

**It's going to be a very exciting year in the library! Happy reading!**

**Harpreet and Rama**
