

KEYBOARD LESSONS FOR 2023

Piano lessons are available at HPS during school time on Thursdays, for students in **Gr. 2** and above. From 2023, I'm offering private lessons only, of thirty minutes' duration. The fee remains at \$40 per half-hour lesson. Students *must* have a keyboard/piano at home and be prepared to practise at least 20 minutes per day; it would be inappropriate to have students missing regular classroom lesson-time to attend keyboard lessons if no serious practice were happening at home.

To enroll your child in the Keyboard program, please complete the form below and return it to the school office. You're also welcome to contact me via email:

rosemaryannemccarthy@gmail.com

Rosemary McCarthy,
Keyboard Tutor.

I would like my child, _____ in Gr. _____ (2023) to join the Keyboard program.

We have a keyboard/piano at home and I will assist my child in developing a practice routine. I understand that if satisfactory progress is not evident in Term I, lessons will be discontinued from Term II.
