ENDEAVOUR (STEM) PROGRAM

The overarching vision of the Endeavour Program is to engage students in meaningful, relevant and highly engaging projects using our design process. With a strong emphasis on developing 21st Century skills which we've called 'Competencies for Deep Learning'. We are passionate about preparing students for an uncertain world and rapidly changing workforce by ensuring they are developing these competencies that include Design Thinking, Creativity, Critical Thinking, Collaboration, Communication and Citizenship.

GATEWAY PROGRAM

The Gateway Program aims to engage students in all aspects of school life with the guidance of a dedicated mentor. Students will access all of the information they need to succeed at FGSC, especially in transition. In 2022, all students participating in the Gateway program focusing on The Resilience Project. With support from their Gateway Mentor, students are encouraged to use GEM – Gratitude, Empathy and Mindfulness.
