

# Careers Corner Weekly

VICTORIA, 2025

MONDAY 05 MAY #13

## BEHIND THE JOB: Health Information Manager

### What are their strengths?

- Organisational and data management skills
- Attention to detail and accuracy
- Ability to manage privacy and security of health data
- Communication and leadership skills

### What do they do?

Health Information Managers oversee the collection, storage, and security of medical records, ensuring compliance with health regulations and facilitating access to patient information.

### How do they get started?

A Bachelor's degree in Health Information Management or Health Administration is required. Some roles may require additional certifications in medical records management.
