

Attendance Hero Program

Dear Parents/Carers,

Next term we will be kicking off an attendance program to help improve attendance and late arrivals.

The program is called Attendance **HERO**. Our goal is to bring awareness to the link between attendance and student achievement. This program is intended to help boost attendance of all students in K-2 and the support units.

Children will be able to qualify for a special award and prizes if they can spell **perfect attendance**. To win letters your child will need to be a **HERO**.

Here
Everyday
Ready
On Time

For example, Sue is here Monday but is late on Tuesday, she will earn the letter **p** for Monday but not **e** until she attends school on time.

Bob was here for 17 days on time and ready to learn, he will spell **perfect attendance** and will receive an award at assembly.

We are asking that you support your child to be a **HERO**. As an incentive, the school will be running a raffle prize for families. To qualify for the raffle you will need to ensure your child is a **HERO** daily to gain an entry. There is no need to chase up entries, we will do that for you. The prize will be drawn at the final assembly of the term.

We hope you will be as excited about the program as we are. Should you need any assistance with the new program or have any questions please do not hesitate to contact us.
