Anglesea is 100% the best place to visit. Because you can splash around at the beach, go to fun parks and jump off a bridge into a river.

Firstly, I believe that you can go and play at the beach. Go boogie boarding (it's fun).

Another reason that you can also go and play at parks, and swing on swings. It's fun to go on the roundabout.

Finally you should definitely go to the river to jump off a
