A FEW IMPORTANT POINTS:

- Keep your camera ON for the whole show. We want to see everyone!
- Practice muting and unmuting your mic; it's always good to learn the basic controls.
- Ensure your camera is stationary; we suggest a flat surface, so that you can sit comfortably.
- You can have as many people as you like watching the show with you; just make sure all can be seen!
- To follow along with the workshop at the end please bring: **cotton buds, tape and scissors.**
