## SCHOOL SPORTS 2024 – Expressions of Interest

Dear Parents and Carers,

Expressions of interest are being sought for Southern Christian College sports teams for 2024. Enrolling in a sport involves a commitment from parent and child for the length of the roster, some sports are term-based, others run for 'seasons' of varying length.

Each year, the College seeks to provide as many opportunities as possible for students to build their fitness, develop their skills and engage in a physical activity through team and individual-based sports. Sports teams require the active support of parents in leading and mentoring children. For the students, being a part of a team is an important educational experience for children and one that we value.

If your son or daughter is interested in registering for an SCC sports team, please complete the form below. This will help us to determine the viability of teams and sports. **It is vital that we have volunteers who can assist as coaches, managers and, in some cases, referees.** Without this support it is often not possible to run teams. Please consider the possibility of your own involvement carefully as this is an important part of the extra-curricular programme of your son or daughter.

If you have any questions regarding these options, please contact Mrs Sonya Ambrose via email [sonya.ambrose@scc.tas.edu.au](mailto:sonya.ambrose@scc.tas.edu.au) or by phoning 0447 279 926.

Please return the form below to the School Office or via email to [sonya.ambrose@scc.tas.edu.au](mailto:sonya.ambrose@scc.tas.edu.au).
