

KAROO PS 'KARNIVAL' STALLS

2025

STALLS

Our stalls look to amaze our students and families at the Karoo PS "Karnival on Friday the 7th Nov 1-6pm!!

The stalls will be organised and operated by our year levels and each year level will have their own stalls to make shine! However, to maximise our fundraising each year level is asking for donations from our school community to help the stalls to run.

You will have received a compass post from your child's year level regarding the required donations; however, we are sharing all the year levels stalls, in case you would also like to donate to another year level stalls too!

Any items for **donation** can be brought into school office or handed to your child's classroom teacher. We are accepting donations all through the term, and will provide updates on items we require more/less of as items come in.

FOUNDATION
