5 June 2019

Dear Parents/Carers,

During next week we will be opening the Parent Portal and you will have access to parts of Compass. Not every area of Compass is currently set up and operating. Some features will be progressively opened throughout this year and next.

Parents will initially be able to view their child's attendance and provide a reason why their child is absent or late. You will also be able to see any relevant news items, a College calendar and College news.

Existing student reports will also be made available via the portal in the near future. Compass has a web portal and a mobile app which works on Android and Apple devices.

Next week each parent will receive a unique username and temporary password to gain access to the portal. It is important that we have an accurate email listed in our system prior to this. If you would like to confirm these details please contact the College office.

The current SkoolBag App will be phased out over the coming weeks, this will be communicated with parents at the time.

Attached is a parent's portal guide to Compass, however please contact the College if you require any additional information.

Kind regards,

Val Thomas
Principal
