# SHEPPARTON SAINTS NETBALL CLUB INCORPORATED

COMMITTEE 2023

---

## Welcome

To our inaugural year as the Shepparton Saints Netball Club. This will be an exciting year as we as a club rebuild to become a leading netball club in our community.

Our registrations have exceeded our expectations, and we are thrilled to be able to deliver what we all as a working group committee had the vision of creating back in 2022.

11 Shepparton Saints teams will register in the 2023 SNA Winter Netball Season. A lot goes on behind the scenes, and we have been fortunate to have many like minded parents come together to share the workload, taking on various roles and tasks to make all this possible.

# SHEPPARTON SAINTS NETBALL CLUB GUIDELINES

SEASON 2023

---

It is important, as part of our values as a Club, for our players and their families to offer support and respect to our Coaches and Team Managers throughout the season. Below are guidelines that we ask all to adhere to, ensuring we create a safe environment. These guidelines have been developed in agreement by the Committee, taking into consideration the Child Safe Policies, Netball Victoria Code of Conduct and the SNA By-Laws and Guidelines.

- All players are expected to attend and participate at training weekly. Please notify your Team Manager or Coach if you are not able to be present at trainings or on game day as soon as possible. If you are unable to train, or you arrive late on game day, please do not expect to be in the starting 7 positions.
- Players are to be on the court, ready to warm up, 1/2hr before their game is to commence.
- Our Junior Team players will have the duty of being Captain for the game and will need to supply a person to score. This roster will be allocated by your Team Manager. Senior Teams Coaches will delegate the duty of Team Captain at their discretion. All families will be rostered for scoring duty.
- Teams will not be supplied with a first aid kit as per SNA guidelines. All players are to provide their own 'kit', this is to be labelled with their name and can be kept in the teams game day bag for the season. Kit is to include - Nail clippers, wound coverings, sports tape, tissues. Any medications, for example ventolin/asmol, is to be handed to the Team Manager prior to games for easy access if needed. SNA have a first aid officer present during the season. All injuries are to be reported to the club rooms on the day of injury.
- All players are to bring along their drink bottles, water only, to be placed in teams drink holder and kept at the Coaches Station area.
- Pre game warm up and during a game is not the time to address the Coach with any general concerns or questions. Unless of course its urgent, and we then ask that you speak to the Team Manager at the first instance. Our Coaches are giving all their attention to the players before the game commences. Please reach out to your Coaches should you require a time to chat.

SEASON 2023

- Players are to report straight to the Coach at each break time. We ask that no spectators gather with the team at each quarter break. This allows the Coach to have full concentration of the players attention. At the end of the game we welcome all to the huddle.
- Players positions and game time rotation is very important to our Junior Teams throughout the season for player development. The expectation for our Senior Teams is under the Coaches discretion.
- Side-lined players during game times are to be seated alongside the Coach.
- Families are asked to be side-lined on the opposite side or further down the court of the Coaches Station. This is where the Coach and Team Manager will setup with the team equipment.
- Encouragement and applauding during the game is most welcomed. No direction of play is to be given from side-lined spectators. This can only come via the teams Coach, or in their absence, the Team Manager.
- Reminder, the competitions Umpires are learning, and abuse from any member of our netball community towards an Umpire will not be tolerated.
- **Wet Weather By-Law - Game Day**  
In the event of extreme weather the following need to be present; Saturday Junior Convenor at 8:15am or Saturday Afternoon Convenor at 12:00pm, a member of the Executive, and one member of the three major clubs (names provided at the start of the season) they will decide to cancel the time slot, delay the start of the time slot or play. All players are expected to arrive at the courts at their designated time unless notified by the Team Manager.
- **Wet Weather - Training Cancellation**  
Cancellation of training will be the decision of the each teams Coach. A message to advise you of any changes to training will come via your Team Manager/Coach.
