

We would like to acknowledge the traditional custodians of this land. We pay our respects to the elders both past, present and emerging.

#### NOTICE BOARD:

Blake and Anushka will be off for 2 weeks starting from the 19th of August. Service regular Tara will be coordinating ASC sessions! If you have any issues or concerns during this period of time please do not hesitate to contact us via email or phone.

#### CONSTRUCTION WEEK

We bulldozed into construction week at TheirCare with hands-on learning through building activities, creative projects, and teamwork. Children explored construction concepts, developed problem-solving skills, and engaged in imaginative play related to building and design.

#### FAIRYTALE WEEK

Once upon a time at TheirCare we had Fairytale week! The children were immersed in magical stories through dress-up, crafts, and role-play. They explored classic tales, created their own stories, and engaged in imaginative activities centred around beloved fairytales.

If you have any feedback or suggestions please do not hesitate to reach out as we are always open to new ideas! This week, our menu was created collaboratively with our children and we came up with a very delicious selection! The students also enjoy a great selection of healthy fruits and vegetables! Our weekly menu follows Nutrition Australia's guidelines and is created with the children and parents. All cultural needs are considered. Any dietary requirements are to be discussed with the program coordinator.
