VIRTUAL OPEN DAYS 2020

Getting the most out of a Virtual Open Day

Participate in a Virtual Open Day from the comfort your own home!

Most institutional Virtual Open Days will be held in late July and August (see over the page for Open Day dates). However, you are more than welcome to contact an institution at any time for advice on courses.

Students are encouraged to register for as many Virtual Open Day events as possible and register soon!

Who should participate in a Virtual Open Day?

Anyone who is considering studying at a tertiary level in the next few years should attend.

Why should you attend a Virtual Open Day?

Apart from the opportunity to obtain course information there are many other reasons for participating:

- You are going to feel more comfortable arriving at a university or TAFE institute on the first day of classes if you have done your research and found out more about the institution.
- What is really involved in the course or courses you are interested in?
- If you have to move away from home, where are you going to live?
- Will you be happier studying in a large metropolitan institution or a smaller, perhaps rural institution?
- What does the place 'feel' like? Watch or participate in Virtual Tours, and try gaining an insight into whether or not it is a bustling environment with lots of activity, or a quieter, more relaxed campus set in landscaped grounds?
- How are you going to get there? Is it close to public transport or should you start saving now for a car?

If you don't know the answers to any of these questions, then you should participate in a Virtual Open Day

How to make the best of Virtual Open Days

To make your Virtual Open Day activity fun and informative, here are some pointers:

- Write down a list of questions you would like to ask about particular courses – if they are not addressed during the virtual event, you can always follow up with the institutions later
- If the event allows Q & A, make sure you ask lots of questions
- Enjoy the activity!

Not everyone can participate in all Virtual Open Days and various institutions are also holding their Virtual Open Days on the same date, so students are encouraged to register for as many as possible so that even if you miss one, you should receive notifications from the institutions and may be sent recordings if they are available.

This information was correct at the time of publication. Students are encouraged to register soon for these events so they can receive important updates. Addresses of tertiary institutions are available via VTAC on www.vtac.edu.au or by ringing the institution directly or visiting their website.

Students in Years 10, 11 and 12 are encouraged to participate in a few Virtual Open Days
