

Hey, myki-angelo!

Under 18s now travel free on all public transport with a Youth myki.

Enter your card design in the 2026 Youth myki Design Competition for a chance to **win \$1,000***.

Here's how it works:

1 Choose how you want to create it

Print it out and draw by hand (markers, paint, pencils or whatever you like).

OR

Download and open it in a drawing app to design it digitally.

2 When you're done

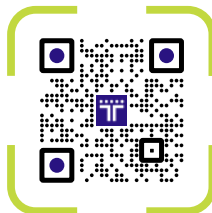

If you drew it by hand:

- Take a clear photo or scan of your finished design
- Save it as a JPG or PDF. But please keep the original as we may ask for it.
- Make sure it's at least 3MB

If you designed it digitally:

- Save your file as a JPG or PDF.

3 Then you're ready to submit your design!

Scan here, or head to engage.vic.gov.au/youthmyki to submit your entry.
