

Are you able to volunteer your time to help support
grieving children and young people?

At Feel the Magic, we provide grief education and support to bereaved children and their families to help alleviate the pain and isolation felt by the loss of a parent, sibling or legal guardian.

Join us as we create a world where children who are experiencing grief are supported to reach their full potential.

Camp Magic is Australia's largest and leading grief education and support program for bereaved children and teenagers between the ages of 7-17. Since its inception in 2013, it has supported hundreds of campers who are grieving the loss of a parent, sibling or legal guardian. Campers attend a transformational weekend-long program free of charge that combines fun, physical challenges with grief education and emotional support.

Volunteers who can give a weekend of their time at Camp Magic are needed to fill the mentor role. Mentors serve as a support person to their individually matched camper, taking part in all aspects of Camp Magic throughout the weekend.

To volunteer as a mentor at a Feel the Magic camp:

- we are looking for all types of people – older, younger, female, male – to mentor our campers
- you do not need to have experienced loss yourself, but be empathetic and open to those who have
- have a current Working with Children Check and National Criminal History Check.
- attend specialised training facilitated by Feel the Magic leaders

Volunteering allows individuals to be a part of an incredibly rewarding experience. Each volunteer makes a meaningful difference in the life of a grieving child through the support they provide. With your help, Feel the Magic inspires grieving children and teenagers in our community to experience empathy, empowerment, growth and connection.

Volunteers change lives. Apply here today.

Camp Magic will hold its first camp outside of Sydney in Armidale this November. We are very excited to extend our community to regional New South Wales as part of our plan to hold camps throughout all of Australia.

Mentor Training -
