

Childs Road Upgrade

As previously mentioned, as part of the Childs Road Upgrade, **we'll be closing a section of the Darebin Creek trail from Narina Way to Childs Road** (adjacent Lalor North Secondary College) from **Wednesday 6 April to Wednesday 18 May**.

This closure is for us to undertake critical work along and under the shared user path on Childs Road.

Our recommended detour is via Holroyd Drive and Dalton Road. Please see attached map for reference (**red line** indicates closure area | **blue line** indicates detour | **orange pointers** is where we will have signage in place).

Please take care during these scheduled works.

Best regards,
Diana
