LEARNING EXPECTATIONS:

- Lessons will be scheduled as per the timetable on Compass. Students need to be logged into Compass and ready learn at the lessons start time.
- Attendance and lateness will be recorded for each Lesson.
- Teachers will post instructions in the Compass Class News Feed.
- Lessons will run for 40 minutes or 80 minutes for a double lesson to allow to students sufficient time to be prepared for their next lesson.
- Students will participate actively in all aspects of the lesson as facilitated by their teacher.
- Students will communicate with their classroom teacher when they are unsure of a task.
- Students will access and submit work online by the due date.
- Work must be submitted in one of the following formats (PDF, Word, Excel, PowerPoint, RTF, CSV, or Google Suite).

STUDENT PROTOCOLS FOR THE USE OF VIRTUAL CLASSROOMS:

The following protocols have been developed to ensure online learning occurs in a safe and productive learning environment. Please read through the following and make sure you take the necessary steps to ensure you are ready for online learning.

- The school will be using Google Meet for online video learning. In most cases this will be through a Google classroom.
- You **must** upload your school photograph from Compass to your school Google classroom. If you do not have a Compass photograph, please contact your Year Level Coordinator. No cartoon or other graphic/photographic representations are to be used in place of your Compass photograph
- For all Google Meet video conferences, you must log into your stalbanssc.vic.edu.au account. No other Google accounts will be permitted to join video conferences.
- You must only join the Google Meet after the teacher has already joined the session.
- Your camera **must** be switched on during all video conferences. If you do not have access to a webcam you must contact your Year Level Coordinator. Until you have your camera fixed or replaced they must use their Compass photograph as their Google profile picture.
- If students fail to comply with the use of these requirements or behave inappropriately they will be given a warning and then removed from the video conference. Year level coordinators will also be informed.

- If students need help to get their cameras fixed or need technical assistance please go to <https://studentitsupport.stalbanssc.education/index.html> for support. A button has also now been placed in Compass favourites.
- If you need any additional assistance, please contact your Year Level Coordinator.

DIGITAL LEARNING - STUDENT ACCEPTABLE USE OF ICT

The full Digital Technologies Policy and Acceptable Use Agreement can be found on the College Website. When using digital technologies and the internet, students need to be safe, responsible and ethical users at all times by:

- Respecting others and communicating using respectful language.
- Being responsible in my online communications - Never participating in online bullying (e.g. forwarding messages and supporting others in harmful, inappropriate or hurtful online behaviours).
- Only submitting work that has been completed by you and citing any online resources that have been used in learning tasks.
- Keeping personal information confidential and protecting my privacy by not giving out personal details, including my full name, telephone number, address, passwords and images.
- Protecting the privacy of others by never posting or forwarding their personal details or images without their consent.
- Talking to a teacher or a trusted adult personally if you feel uncomfortable or unsafe online, or if you see others participating in unsafe, inappropriate or hurtful online behaviour.
- Thinking carefully about the content you upload or post online, knowing that this is a personal reflection of who you are and can influence what people think of me.
- Not recording or photographing, under any circumstances, any student or staff member during online learning without their consent.

HOW FAMILIES CAN SUPPORT THEIR CHILD:
