FOR IMMEDIATE RELEASE

Young Country Music Stars Wanted for the 2027 WACMAs

Are you under 18 and passionate about country music? This could be your chance to step into the spotlight!

Nominations are now open for the 2027 West Australian Country Music Awards (WACMAs), including the Junior Artist of the Year category.

Presented by the Country Music Club of Boyup Brook WA Inc., the WACMAs celebrate talented singers and songwriters from across Western Australia. The Junior Artist category gives young performers the opportunity to share their music, gain valuable experience and have their work heard by an independent panel of experienced music industry judges.

Music Director Erlanda Deas said the awards are a wonderful opportunity for young country music artists to be recognised and encouraged. "Western Australia has so many talented young performers, and we would love to see them put themselves forward. Whether you sing or write your own songs, the WACMAs are a chance to share your talent and take an exciting next step in your musical journey."

Junior finalists will receive valuable exposure and performance opportunities as part of the Boyup Brook Country Music Muster's 40th Anniversary celebrations in February 2027.

Young artists, along with their parents, guardians, music teachers and supporters, are encouraged to review the eligibility requirements and submit a nomination before entries close.

Entries opened: 1 July 2026

Entries close: 31 August 2026

Nomination forms, eligibility requirements and category information are available at www.wacountrymusic.com.au/2027-wacma.

The 2027 West Australian Country Music Awards will be presented during the 40th Anniversary Boyup Brook Country Music Muster, held from 19–21 February 2027.
