

Hey 2021 Rosanna families,

Hope you all are doing great and are very excited to send your little ones to school next year. We are also excited to welcome all the beautiful preps. We wanted to introduce ourselves and show our wonderful service to all the new families.

Are you wondering where to leave your children outside school hours?

Don't worry, we are here to help you in your busy work schedule as we all work at different times. We are open 7am to 9am and 3:30pm to 6pm Monday to Friday.

Our breakfast and afternoon tea table

Our Arts & Crafts corner

Our Construction Corner

Chilled Corner to relax and read the books

Collection of Board Games

Leave your worries to us to drop off and pick up your children during school times.

In the morning when your child arrives we serve breakfast(cereals, toast and milk) and drop them off to their respective classroom at 8:45am. We also pick them up at 3:30pm from their classroom and this will be done for the entire Term 1 or until your child feels confident. In the afternoon we provide varieties of fruits and afternoon tea.

I have attached few photos for you all to see what our children do when they are at Oshclub and also how our wonderful service looks like. We provide plenty of opportunities for your children in terms of doing activities, healthy eating, games & competitions, and other experiences.

Parents please feel free to come and visit our service to see what our children are doing. We all know that this year kinder children have missed so many fun things that they should have done but unfortunately locked up inside the house for most of this year. Oshclub is a great place for your children to come and spend some time to reconnect with their friends, make new friends and buddies.

For any enrolments please call/text/email us.

Once again we welcome you all to Rosanna family and hoping to see you all next year.

Kindest Regards,
