This upgrade will improve safety, pedestrian connectivity and infrastructure. It will create better-connected public spaces for locals and visitors, helping to support local businesses.

What's included in this project:

- Formalisation of existing parking
- Road reconstruction
- Footpath construction
- Installation of underground drainage, kerb and channel
- Reduced and variable speed limits between Porter and Milne streets
- Construction of a new Pedestrian Operated Signal crossing at the intersection of Wood and Anderson streets
- Upgrades to some bus stops on Swilk and Parker streets
- Street lighting upgrades
- Landscaping, tree removal and planting

Community drop-in session

Drop in and ask any questions you have about the works.

Monday 23 June 2025

4:00pm to 6:30pm

Manningham Uniting Church, 109 Wood Street, Templestowe

Construction staging, timing and impacts

To reduce disruption, works will be delivered in 4 stages. This schedule is subject to weather.

Stage 1: 30 June to 10 August 2025

- Anderson Street (James Street to Wood Street).
- Full road closure with traffic diverted – see map.

Stage 2: 10 August to December 2025

- Anderson Street, (Wood Street to Unwin Street) – start of works.
- Parker Street (High Street to Templestowe Bowling Club) – starting late 2025 or early 2026.
- Lane closures with alternating traffic flow in both directions.

Stage 3: January to March 2026

- Anderson Street, (Wood Street to Unwin Street) – continuation of works.
- Parker Street (High Street to Templestowe Bowling Club).
- Lane closures with alternating traffic flow in both directions.

Stage 4: March to June 2026

- Final works including night-time asphalting.

Construction schedule: Anderson Street works
30 June 2025 to mid-late 2026

What to expect during construction

- All businesses will stay open and accessible.
- Work hours will be 7:00am to 5:30pm, Monday to Saturday.
- You may notice some noise, dust and vibration from equipment like road profilers, excavators and light vehicles.

Stage 1: 30 June to 10 August 2025

Anderson Street works, between James Street and Wood Street

We're rebuilding this part of the road. This includes fixing the road base, adjusting road levels and installing underground drains.

Road closure and detours:

- This section of the road will be fully closed for 4 to 6 weeks.
- We planned this through the July school holidays to reduce traffic impacts.
- Signs will be in place to guide drivers around the area via Wood, Milne and James streets.
- Please see the map over the page for details.

Business access:

- All businesses on Anderson Street will stay open
- You can get to them from the back car park or front footpath, see the map over the page.

Pedestrian access:

- Footpaths will stay open, so you can walk through the area.

Bin collection:

- Bin collection will stay the same – if anything changes, we'll contact you in advance.
- Details on later stages will be provided closer to the date.

Managing impacts during construction

Public transport

Bus routes 280, 282, and 905 will be detoured in both directions from **30 June to 27 July 2025.**

Temporary bus stop closures:

- Porter Street/Williamsons Road
- Anderson Street/Atkinson Street
- Williamsons Road/Porter Street
- Williamsons Road/Atkinson Street

The Templestowe Village/James Street bus stops will be open in both directions.

- The Department of Transport and Planning determined this as the only safe option.
- After Stage 1 works are complete, buses will go back to normal.
- To plan your journey, check the **ptv.vic.gov.au** or the PTV app.

Service disruptions

- There are currently no planned service outages (power, internet, water).
- We're working closely with service providers to avoid unexpected disruptions.
- In the unlikely event of an interruption, the service provider will respond as usual.
- Updates will be on our website, and you can contact us on **9840 9333.**

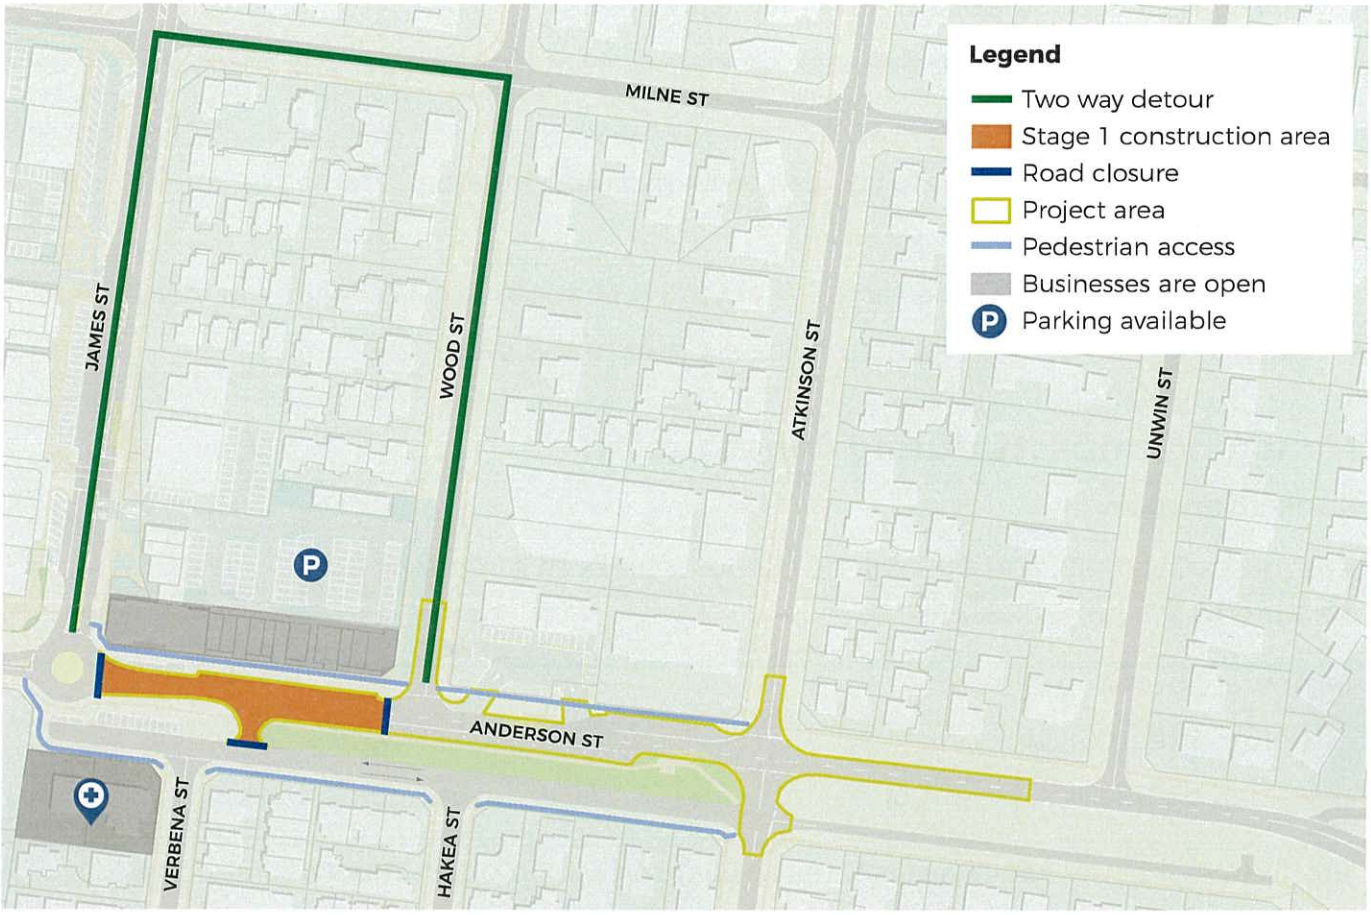

Driveway access

- Some driveways may be blocked at times.
- If this affects you, we'll contact you to make a plan.

Landscaping and vegetation removal

- A small amount of non-native vegetation will be removed to complete the works.
- New landscaping will be added across the project area during Stage 4.

Templestowe Route Upgrade - Stage 1 works map

Supporting your local businesses

Businesses are open! Templestowe Village has a unique character and charm thanks to the local shops, cafes and services. You can continue to shop local during this upgrade - every visit helps support your community.
