

## Events and Information

- Up until 21 November -

---

Event Name : The University of Sydney | Science Extension Workshop

Date : 22nd Oct 2020

Time : Free

Venue : Webinar

Cost : FREE

Contact : School Officer : science.alliance@sydney.edu.au <mailto:science.alliance@sydney.edu.au>

Event Description :

Cost: free

Audience: HSC science extension students

Supervision: students must be booked and supervised by a teachers

Dates Available: 22 October 2020 and 30 October 2020 (identical content)

Format: Online Zoom platform

Registration: <http://sydney.nicheit.com.au/web/registration/start/402>

Spend a day learning about the HSC science extension course exploring best scientific practice, experimental design, research techniques and reviewing statistical analysis of data.

We will focus on Modules 2 and 3 of the Science Extension course. Half the day will be spent exploring best practice experimental design and identifying potential challenges, with a view to good designs producing good analyses.

The other half of the day will be an exploration of various statistical hypothesis tests as detailed in the syllabus. This is also a chance for you and your students to meet some of our PhD student mentors. PhD candidates from across the faculty have volunteered their expertise to provide advice for your students as they undertake this exciting dive into authentic scientific research.

---

Event Name : Study at ACU Webinar: A Focus on Education

Date : 22nd Oct 2020

Time : 5:00pm AEDT

Venue : Online

Cost : FREE

Contact : Paige Swaine : Paige.Swaine@acu.edu.au <mailto:Paige.Swaine@acu.edu.au>

Event Description :

Our new Bachelor of Education courses are flexible to meet your needs and interests. Depending on your choice of specialisation, our courses give you the option to choose a pathway into a range of school settings and specialist teacher roles, giving you the skills to manage social, cultural and developmental

diversity within the classroom.

You will also discover what a day in the life of an ACU education student looks like.

-----

Event Name : iCanMed Free UCAT Webinar: When is the BEST TIME to Start Prep? (+ How to Correctly Solve UCAT Qs)

Date : 25th Oct 2020

Time : 1pm – 3:30pm (AEDT)

Venue : <https://bit.ly/3da8908>

Cost : FREE

Contact : iCanMed : [hello@icanmed.com.au](mailto:hello@icanmed.com.au) <<mailto:hello@icanmed.com.au>>

Event Description :

(NB: This webinar is a live webinar conducted by iCanMed that covers the same content as the 18/10 event.)

Without a competitive UCAT score, it is almost impossible to get into most medical/dental courses in Australia.

In fact, many universities don't even look at your ATAR unless you have a strong UCAT result.

Join our free UCAT webinar to find out WHEN you should start preparing, and what you NEED TO INCLUDE in your preparation plan to avoid wasted time and effort!

---

Event Name : AWS Girls' Tech Day 2020

Date : 14th Nov 2020

Time : Any time up until 28 October

Venue : FREE on-line webinar- see registration link below

Cost : FREE

Contact : Adrian Rhodes : [adrian@schoolsindustry.com.au](mailto:adrian@schoolsindustry.com.au) <<mailto:adrian@schoolsindustry.com.au>>

Event Description :

Amazon Web Services (AWS) Girls' Tech Day is going virtual this year! Encourage students to join a magical and adventurous journey to explore Machine Learning, Artificial Intelligence, Coding, Virtual Reality, Robotics, and more!

This complimentary event will inspire and motivate girls and young women, ages 8-24, to develop and pursue their interests in technology.

Girls' Tech Day includes:

Speaker Sessions – Learn about the experiences of students and women in technology.

Interactive Coding Sessions – Compose a melody, code virtual models to walk a runway, program an online robot, or build avatars using artificial intelligence.

Fun with STEAM – Create magic with STEAM (Science, Technology, Engineering, Art, & Mathematics), download the Girls' Tech Day playlist, and much more.

SWAG Station— Additional STEAM content/activities and give-a-ways provided by Australian organisations

Activities are designed so that students can go at their own pace, and join the event as many times as they like between November 14 – 28. It also supports teachers and staff who want to participate with their classes, girls' tech groups and clubs. Boys are also able to participate.

If this sounds exciting, we ask that you share this information with your faculty, staff, parents and students. Only parents, guardians and teachers may register participants under the age of 18. All activities require an electronic device like a computer or mobile phone with Internet connection.

Registration is now open at: <https://tinyurl.com/y55gnd28>
