Calling all boys and girls in Tasmania (U14-U18) who fancy showing Rugby Australia and Tasmanian Rugby how good they are!

No previous experience needed, just a passion to run with a ball in hand, pass and tackle whilst having fun with mates!

Adrian Thompson is Rugby Australia's National Head of Talent Management and has coached the Junior Wallabies (amongst others) and now works developing the best of Australia.

A series of fun challenges to measure yourself against your personal best, your friends and the best across Australia. Make sure you register your interest so we know you're coming.

Girls - Please note coaches will be using this as their main Regional selection for the North vs South Representative Games on Sunday 20 June 2021.

To register, please click on the "Sign Up" button on our Tasmanian Rugby Union Juniors Facebook Page.
