Match Reports from the Courts

6A

Unfortunately, round 3 saw the 6A boys come away with a loss. The boys started the game strong coming out to a 12-nil lead in the first 5 minutes but sadly couldn't hold onto that lead. Boys should be proud of their effort and hold their head high as they look to continue their season. Special mention to Jack Rayner who was the MVP of the match doing everything to try and get the win for the boys. Also, special mention to Seb, and Jack who held their own coming off the bench, after already playing a full game for the Bs.

6B

After a tough loss to start the season, I couldn't be prouder of how our Grade 6B team has responded. We've now picked up two huge wins in a row, and what's impressed me most is how we're growing together as a strong, united group. This past week, I introduced a new defensive system at training, and the way the players picked it up and executed it in the game was outstanding. Their communication, energy, and focus on the court made a real difference and helped us take control from start to finish. We're moving as one unit now supporting each other, working hard, and playing smart basketball. The improvement each week has been clear to see, and we're looking to keep this momentum rolling as the season continues. Great job, team!

6C

In a hard-fought clash against St Pat's, we found ourselves trailing at half-time despite creating plenty of scoring opportunities. The team kept their composure and belief, and in the final quarter, a few smart tactical changes turned the momentum our way. With renewed energy and sharper execution, we took control of the game and finished strongly, securing a well-deserved 29–20 victory. A great display of resilience and teamwork.

6D

Marist 6D delivered a dominant performance against St Pat's, securing a commanding 32-7 victory. The boys came out firing from the start, showing great teamwork and hustle on both ends of the court.

Jack Felix was a standout, lighting up the scoreboard with multiple baskets and dazzling the crowd with some slick dribbling. His control and confidence with the ball set the tone for the game. Ruben Voss showed real grit, bouncing back after getting knocked down a few times and continuing to battle hard—his resilience inspired the team.

It was a true team effort, with scoring shared across the lineup. Multiple players found the net more than once, showing how well the boys worked together and supported each other. With this kind of energy and team spirit, Marist 6D is shaping up to be a real force this season.

5A

St Patrick's College 34 def. Marist 14

Marist suffered another tough loss in their ongoing development journey, going down 34–14 to St Patrick's College.

Hunter Ward, named MVP, continues to grow in stature and confidence under the basket, providing strength in both attack and defence. Despite the scoreboard, the Marist boys never dropped their heads, showing determination and fighting spirit from start to finish.

There are many positive signs emerging from this group, with flashes of their potential evident throughout the game. With another week of training ahead, the team is ready to return to the court and keep building on their progress.

5B

After a tough loss to Iona, Marist College 5Bs was determined to respond and they did just that with a dominant performance against St Pat's. Leading the charge was Jack Abrams, who earned MVP honours thanks to his sharp shooting and smart shot selection. Overall, everyone put in 100% effort which resulted in us getting our first win of the season.
