

PARENTING BY CONNECTION STARTER CLASS

6 WEEKS OF SUPPORT, IDEAS AND INFORMATION

Parenting by Connection supports parents in the vital work of raising children; it is an evidence-informed approach, aligned with current neuroscience and psychology research. It is backed by over 40 years of experience, and the fundamental cornerstone is a simple one - listening. Parenting by Connection supports parents to make empathy and connection their go-to response for challenges in their lives, while giving them confidence to set the limits their children need. Suitable for parents of children of all ages.
