

Game of

WORDS

HOW MANY WORDS CAN YOUR FORM READ?

The Rules

- ***The goal is for all students to read at least ONE novel***
- ***No student can contribute more than FOUR books to the word count (this is to stop the responsibility of success falling to just a few individuals)***
- ***Class teachers may contribute to the word count, reading ONE book***
- ***Only the word count of completed novels count***

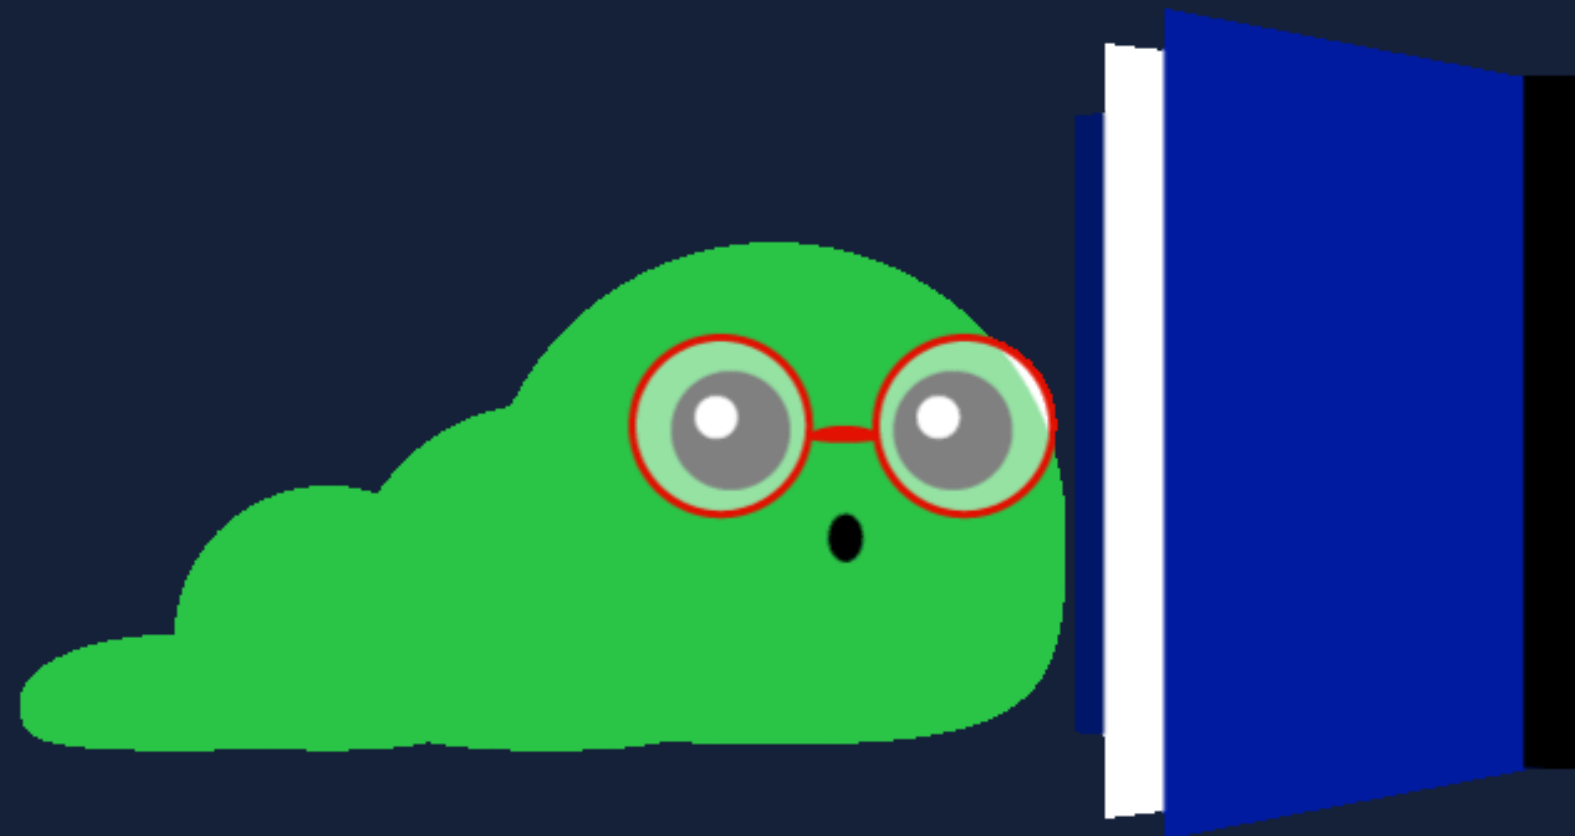

To be run during Term 3/4
Starting Monday 20th June through to
Friday 28th October

Word counts are taken from the following website

www.arbookfind.com/default.aspx

This site accounts for approximately
75% of YA books read

Once you have finished a book, register it on forms .

The link will be available via book corner.

You will need to answer the questions for your book to be eligible

A graphic of pink fireworks exploding in the center of the frame. The fireworks are represented by several thick, curved lines radiating outwards from a central point, creating a starburst effect. The lines are a vibrant pink color and vary in length and curvature, suggesting the trails of fire falling from an explosion.

The Prize???

**A Pizza lunch for the winning
form from each year level**
