Workforce Australia

Jobs Showcase

Have you ever considered a career in government?

Join our free webinar to find out about the job possibilities and opportunities available to you in the public service.

Discover more about this sector and the variety of positions available, career opportunities, points of entry, and how to tailor your job application to match specific government roles.

Hear from our guest speakers from federal, state and local government and learn their top tips when applying for a job in government. You'll be amazed at the range of job opportunities within the government sector!

Register today to attend the Jobs Showcase and hear all about your next steps to get a career in government!

Webinar:

Tuesday, 13 June – 12 pm (AEST)

Learn more about career opportunities
in government
