

KELLY CLUB AITKEN NEWSLETTER TERM 1

We have reached the end of Term 1! What a quick term that was, filled with many fun and exciting themes, games and activities.

To end the term, we have celebrated Harmony Week, learnt all about "Time" and finish things off with Easter. During our Harmony week theme our children were engaged in making a harmony tree, colouring competition and made some delicious carrot dip. The children showed great respect for one another whilst the children shared things about their cultures.

During our Time themed week, the children made their own clocks and watches, played What's the time Mr Wolf, created a sundial and did an activity sheet with Tic- Toc biscuits.

It was great seeing the children start to learn how to tell the time.

We will end the Term with an Easter themed week, the children will be engaged in many different Easter activities.

Important Updates-

We are now accepting bookings for the holiday program. Due to an increase in numbers we now require 24hr notice for all bookings.
