## Around the Grounds

### **6A**

Strong defensive effort. Front rowers Tuari and Mason set a solid platform. Will F and Perry B worked well in attack and defence. Angus L tackled well. George Swan and Angus G controlled the game well and the trust in the game plan is growing.

### **6B**

The 6B Rugby League Team had a great comeback win against the 6A St Peters Lutheran College.

SPLC 6A went in with 2 easy tries back-to-back after poor defensive efforts by the Marist 6B team. Even though the team's confidence was at an all-time low the team struck back with a try just before halftime.

Down 8 - 4 at halftime the 6B team went out with determination, knowing that with effort and grit the team could do a comeback and a comeback they did with scoring two tries to take the lead 12 - 8, and with a defensive effort for the ages the Marist 6B secured their first victory for the season.

Eddie Maloney was a standout and deserves to be the Player of the Match, with his leadership, ball-running skills, a never give up attitude making the final try-saving tackle that sealed the game for the team.

### **5A**

Great game very happy with how the boys played. Despite ATC being a weaker side they still played to their game and did not drop to their level nor were they disrespectful despite the large win.

### **5B**

Very tough game this week for the boys going up against an incredibly strong Villa 5A team.

The boys were brave making the decision to play a higher-level team instead of taking a bye this week. They knew it was going to be a tough game and even though they fell short the boys fought until the final whistle. Special mention must go to man of the match this week James Graham who after just reserving for the As played the whole game for the Bs and played tremendously well, terrorising Villa in both defence and attack. Eli Jennings also deserves a special mention for his unreal efforts as well on Saturday, especially in attack. Tough game but super proud of the boys and their efforts and we look forward to seeing how they can improve throughout the rest of the season.
