Team Vic Registration Process

12 Years and Under

Registration to trial for most SSV 12 Years and Under Team Vic teams to compete in School Sport Australia Championships is done through an online process managed by School Sport Victoria.

Boys Australian Football, Mixed Netball, Boys Football (Soccer), Boys Basketball and Girls Basketball differ due to the large number of students that register for this trial process. These sports start with nominations through their schools to enable attendance at Division trials as the first step. If selected at Division level a student will move through to Region trials except for basketball where a conference trial is held; and finally a State trial for possible selection in a Team Vic team.

To be eligible children registering to trial must be turning 10, 11 or 12 years of age in 2020.

SSV implements an online registration process for the five teams mentioned above across the State. This is done for the following reasons;

- It ensures all 12 Years and Under registrations to trial are done the same way.
- It ensures that regardless of where a child is and in what sector, primary or secondary, the process will be fair and equitable.
- It ensures the trial process attracts only students capable of performing at a high standard and is for emerging athletes who have reached a certain standard.

The Online Registration process will open on December 1, 2019 **and close on March 1, 2020.**

Please be aware of the following;

1. Students and families must consult with their Principal to ensure they have the skill level to trial and represent their school at a national championship level.
2. It is imperative that teachers decide on a child's capability of representing their school at a state level trial.
3. The discussion with the school Principal is necessary as all students **MUST** get

the Principals signature and School Stamp on their registration form prior to attending a trial.

4. Registration is a NON-REFUNDABLE \$25 fee. This fee covers the cost of hosting the trial and subsequent expenses as well as an administration fee.
5. This Registration is a registration for a Division trial. Confirmation to attend a trial will occur after registration closes and before the end of Term 1, 2020.
6. Once registered, the parent will receive an email confirming payment and a form which will require the Principal's signature. This form must be handed in to the Division Trial Coordinator on the day. **NO FORM, NO TRIAL.** If the parent does not receive the email contact School Sport Victoria immediately.
School.sport.victoria@edumail.vic.gov.au
7. Once registration for Division trials close on March 1, 2020, Division Coordinators will email the registered participants and inform them of the time, date and venue for their trial **before the end of Term 1, 2020.**

Please Note:

- A. Girls Football (Soccer) will go direct to a State Trial in 2020.
- B. **Girls Australian Football has been introduced to the School Sport Australia program in 2020 and will also go direct to a State Trial in 2020.**
