

# SCHOOL HOLIDAY PROGRAMS

JANUARY 2019

The Department is committed to reducing racism in schools and providing opportunities for students to remain engaged and achieve in education.

In addition to supporting students in school, the Department has also provided opportunities through school holiday programs for young people to participate in pro-social activities with program partners Melbourne Victory, Mushroom Group and the North Melbourne Football Club.

With more than 120 young people from culturally diverse backgrounds attending in Term 2 and a further 180 during the Term 3 holidays, the programs are engaging young people in sport, the arts and community engagement opportunities.

**If you are interested in the opportunity for students from your school to be involved in any of the programs, please contact the relevant program leaders detailed below.** Schools that have hosted programs previously are encouraged to be involved again.
