

CAREER EVENTS – JUNE & JULY 2018

THE UNIVERSITY OF MELBOURNE

My Melbourne Future: Thinking of studying at the University of Melbourne, but want to know more about what your degree will actually involve? These events are your opportunity to:

- Chat face-to-face with University of Melbourne staff
- Hear from current students about uni life
- Explore majors, breadth options, electives, internships, scholarships and research opportunities
- Discover the career pathways available to you
- Learn how to see the world while studying overseas
- Confirm prerequisite subjects and entry requirements, including for our Special Entry and Access Schemes.

The following seminars are running in June:

- 13: Design, Music
- 14: Commerce, Agriculture & Veterinary Medicine
- 19: Education
- 20: Science, Law
- 21: Biomedicine
- 26: Engineering
- 27: Fine Arts

For information and to register for the sessions, go to <https://bit.ly/2FOer3d>

UMAT PREPARATION WORKSHOP

UMAT Simulation Day: Students in Year 12 interested in applying for medicine, dentistry, or optometry may need to sit the compulsory UMAT examination. National Institute of Education (NIE) will be conducting UMAT preparation workshops on Saturday 9 June and Thursday 5 July. Students in Years 10 and 11 can also register, but it's important to note they cannot sit the UMAT until they are in Year 12, www.nie.edu.au

MONASH UNIVERSITY

Inside Monash Seminars: Get the inside story of what it's really like to study at Monash. You'll hear from a current student, a past student and an academic. It's the best 90 minutes you could spend researching your course. The following seminars are running:

- 20 June: Psychology
- 21 June: Business
- 12 July: Science

For information and to register, go to <https://bit.ly/2ki2NYw>

CHARLES STURT UNIVERSITY

Charles Sturt University (CSU) will be running a MyDay at the Albury Wodonga campus on Wednesday 27 June. Students can participate in workshops focussed on their course interests from areas such as:

- Allied Health (including Physiotherapy, Occupational Therapy, Speech and Language Pathology, Podiatric Medicine etc.)
- Nursing
- Teaching
- Business, Accounting, Marketing
- Environmental Science, Outdoor Recreation

Parents/guardians are welcome to attend. For information and to register your place, go to <http://bit.ly/2kVYa5R>

NATURAL HEALTH

Endeavour College of Natural Health is running an open day at their Melbourne campus on Saturday 16 June. The College offers courses in Acupuncture, Myotherapy, Naturopathy, Nutritional and Dietetic Medicine, and Complimentary Medicine. For more information and to register, go to <https://bit.ly/2kKhdON>

JOURNALISM WORKSHOP

What is journalism and why does it matter? What is news? How do we research news? Year 11 and 12 students are invited to come along and experience the multi-million dollar Monash Media Lab first-hand. They'll have the opportunity to see what it's like to work in a professional media environment by experimenting with different kinds of technology, including a TV studio and radio broadcast facilities. Event details - Date: Tuesday 3 July 2018 Time: 10am – 3pm Venue: Caulfield campus. This event is full, but you can register for the waiting list. <https://bit.ly/2KXJBYT>

HOTEL MANAGEMENT

Global Career Hotel Experience: The Hotel School Melbourne is hosting a one-day Global Career Hotel Experience on the 1st of July. The day is a cutting-edge event that allows students to experience the behind-the-scenes of a luxurious 5 star hotel. For information and to register your place, go to <https://bit.ly/2KgD4bp>

RMIT - SURVEYING

RMIT is offering a free workshop for students interested in a career in land surveying. The workshop will run for one hour and will give students the opportunity to gain insight into the industry and see the current surveying equipment used in the industry including a digital level, total station, GPS and laser scanner. Workshops: 14th of June and 5th of July at RMIT's Field Station, Yarra Bend. For information and to register, go to <http://bit.ly/2FK7iWo>

RMIT - DESIGN

Portfolio preparation programs: RMIT are running portfolio preparation programs for Year 12 students planning to apply for design courses to start in 2019. Workshops will run for one day and are offered in study areas such as Fashion and Textiles, Graphic Design, Interior Design, 3D Product Design, Design, and Visual Merchandising. For information on cost, workshop dates, venues and to register your place, go to <http://bit.ly/2plydL7>

MONASH UNIVERSITY

Science Tours: If you are interested in studying science at Monash University, you can book a science precinct tour. You will be able to visit the science facilities and learning spaces, get a feel for campus life and have a chat with current science students along the way. These tours are very popular so registration is essential. Tours will be running on 3, 5, 10 and 12 July, <https://bit.ly/2kd197T>

THE UNIVERSITY OF MELBOURNE

Faculty of Arts - VCE Winter School: Developed in consultation with VCE experts and examiners, this is an excellent opportunity for VCE students to prepare for Literature, History, Italian and French exams with Australian and international scholars who are experts in their fields. Dates are between 11 – 16 July. For more information and to register, go to <https://bit.ly/2K2hOa5>

Teenflix Winter School: Designed specifically for creative young people interested in filmmaking and aged 13 - 18, the Victorian College of the Art's Filmmaking Winter School - Teenflix - located in the arts precinct at Southbank, provides participants with an intensive introduction to this dynamic industry.

Best of all, this practical three-day filmmaking workshop will have students complete one mockumentary style exercise and two short films, all in just 3 days! The school will be held between Monday 2 – Wednesday 4 July. For information and to register, go to <https://bit.ly/2LCwe1b>

The VCA's Visual Art Winter School: Folio Preparation is a crucial intensive short course in contemporary visual art practice. Guided by a dedicated artist and industry professional, you will gain a fundamental insight into preparing your visual art folio; a pivotal asset of the professional artist.

This workshop is perfect for those embarking on VCE study in visual art and those planning to pursue creative tertiary study in visual and fine arts at the VCA (Victorian College of the Arts) or elsewhere. The School will run between Monday 9 – Friday 13 July. For information and to register, go to <https://bit.ly/2Fw44pe>

A Day at Melbourne: This event is for prospective students and their families and will be held on Friday 13 July at the Parkville campus. You will learn about:

- Undergraduate degrees and graduate pathways
- Admissions and entry requirements
- Access Melbourne and Melbourne Scholarships
- Accommodation options
- How parents can help with the transition to university.

You will also be able to participate in two taster lectures, <https://bit.ly/2Fgsq3b>

SAE CREATIVE MEDIA INSTITUTE

Melbourne Study For A Day: Come and study with us for a day, and experience student life at our state-of-the-art Melbourne Campus! Learn from our industry-experienced academic staff, and get hands-on training with actual coursework from our degree programs. Find out what student life is like at SAE!

These workshops are a fantastic way to experiment with the creative media fields, and can provide great insight for those who are still unsure of their study plans. Our lecturers will introduce you to technical skills in your discipline of choice, and provide insight into careers in your chosen field.

This event is open to anyone aged 15yrs and above (Year 10 and over).

You can choose to undertake a workshop in one of the following interest areas:

- Animation
- Audio (Studio Production, Electronic Music Production)
- Graphic Design
- Film
- Gaming

The event will be held on the 7th of July between 9.00am – 4.00pm. For information and to register, go to <https://bit.ly/2HIXgH6>

HOTEL MANAGEMENT

Career Week at the International College of Hotel Management: If you are interested in business, hospitality, working overseas, and working with people from different cultures you may enjoy a career in international hotel management. The International College of Hotel Management is running a 'Career Week' at their Adelaide campus between 9 – 13 July. For information and to book your place, go to <https://bit.ly/2qRmJ3d>

CODING

Coder Academy: is running several coding and IT workshops for students in Years 7 – 12 at Melbourne during the holidays. For a list of workshops, dates, venue and costs, go to <http://bit.ly/2t5ouM4>

MACLEAY COLLEGE

Choosing where to study is an important decision! To help you decide, we are hosting a Career Taster Day at our Melbourne campus on Saturday 14 July, from 11:00AM - 3:00PM.

The Career Taster Day will give you a snapshot of the career you are considering, whether that be as a content creator, digital designer, sports publicist, digital journalist or an entrepreneur.

Sessions include:

FASHION DESIGN

A day in the life of a fashion designer, Box Hill

Institute: Aimed at students in years 7-9, this workshop provides you with the opportunity to experience life as a fashion designer.

Content

- Day 1: Fashion Illustration: working with a fashion image and using a variety of mediums to colour your fashion illustration.
- Day 2: The Design Process: designing an original denim skirt altering a skirt pattern for your original design.
- Day 3: Constructing a denim skirt: fabric manipulation and garment construction for your original denim skirt using industrial sewing machines and equipment.

The program will run between Monday July 9th to Wednesday July 11th, 9:30am - 4:00pm. To register, go to <https://bit.ly/2JSjRwR>

BILLY BLUE COLLEGE OF DESIGN

A Day in the Life: If you're interested in learning more about a particular creative career, our workshops are just the place. You'll see what it's like to spend a day in the life of a designer or gamer in a collaborative, supporting, like minded environment. And it's Free!

- Participate in a workshop run by our talented lecturers. The 'Area of Interest' you choose on the registration form will determine which workshop you are placed into.
- Hear from a panel of current/past students about their experience studying with us
- Tour our creative campus, get a glimpse into our studio-style classrooms

This day is suitable for students in years 10-12 AND anyone interested in learning more about a career in Graphic Design, Interior Design, Fashion, Photography, Digital Media or Gaming.

Places are strictly limited, so please register early to avoid disappointment, <https://bit.ly/2thKAfk>

CONOCOPHILLIPS SCIENCE EXPERIENCE

If you're in Year 10, you are invited to spend three fascinating days exploring your passion for STEM (under the expert guidance of Federation University scientists and students).

Make new friends who share your love of all things scientific, find out about rewarding career opportunities and experience life on our beautiful Mount Helen campus. Our program will engage, challenge and motivate you with state-of-the-art Labs, industry site visits, field trips, and research mini-lectures. Details of the Science Experience program change each year but whether it's an activity in forensic chemistry, geospatial science, botany, robotics, engineering or computer graphics, you will use your knowledge, curiosity, ingenuity, team-work, communication and planning skills to think, act and explore the world as a STEM professional. The three-day program will run between Monday 2 – Wednesday 4 July and registrations close Sunday 24 June, <https://bit.ly/2MBvCcQ>
