The Parents' and Friends' Association plays a vital role in supporting our school community. Throughout the year, the PFA runs a variety of **fundraising and social activities** that bring families together and enhance student opportunities.

As we look ahead to our **fifth year**, we're proud to share that the PFA has raised **over \$10,000** in support of Brentwood students. These funds have contributed to a broad range of programs and resources, including **music, clubs, performing arts and sport**, helping to enrich the educational experience for all.

Being part of the PFA isn't just about fundraising—it's about **connection**. Joining the PFA gives parents and carers the chance to:

- **Meet other families** and build friendships within the school community.
- **Stay informed** about school activities and initiatives.
- **Have a voice** in supporting programs that benefit our students.
- **Make a difference** by contributing ideas and energy to projects that matter.

Whether you can help occasionally or take on a regular role, your involvement is always valued. Together, we can continue to make Brentwood a vibrant and supportive environment for every student.
