

Year 6 Term 4 - Home Learning Option Board

In addition to the activities below, you should read for at least 20 minutes each day.
Homework should be uploaded to *Google Classroom* or recorded in a homework book.

Convince me! Write a letter to your teacher trying to persuade them to make a change in your class. Choose something that you feel passionate about and needs changing in the classroom. Be persuasive.	MASTERCHEF In this task you have to make dinner for the family following a recipe of your choice. Same deal as the baking. Each ingredient = 1 point If you use the microwave you get 1 point If you use the stove you get 2 points If you use the oven you get 3 points Add your points up and take a photo of your delicious masterpiece and enjoy!!!!	Triangular Clock Trinni is fascinated by triangular numbers (1, 3, 6, 10, 15, 21, etc.). She found that she could rearrange the twelve numbers on a clock face so that each adjacent pair added up to a triangular number. She left the 12 in its usual place; what number did she put where the 6 would usually be?
Mini Business Project Design a small business idea (e.g. school canteen snack, handmade item, or pet-sitting service). Create a business plan including: product description, target audience, logo, simple budget, and advertising poster.	LEARN SOMETHING NEW Spend 30 minutes learning something you've always wanted to know how to do. It could be anything. Be ready to demonstrate it or explain what you learned.	Podcast Pitch Pitch your podcast idea to a "producer" (your teacher!). Create a plan for a 3 part podcast series. For each episode, write a short summary, list key discussion points, and suggest one sound effect or music clip that would enhance it.
Food Miles Investigate 5 items from your pantry or fridge and determine where the product is produced, packed and maybe where the ingredients are grown.	Data Detective Find a graph in a newspaper or online article. Write 3 sentences explaining what the data shows.	Book vs Movie Compare a book and its movie version. What was done differently? Which did you prefer and why?
Letter to the Author Write a short letter to the author sharing what you liked most about their story.	RECOMMEND SOMETHING You Should Try This Find a song, podcast, book, game, movie, sport or YouTube channel you think someone else would enjoy. Recommend it to them and explain why.	Sports Performance Project Choose a sports team or athlete. Record their scores, wins/losses, or times over 5–10 games/events. Display data in multiple formats. Write a paragraph analysing trends (improvements, averages, predictions).
