## St Mary's College Talk and Tour

Dear St Mary's Primary School Parents/Carers

St Mary's College and St Mary's Primary School have for many years engaged alongside each other to deliver accessible Catholic education within our parish. Beyond a namesake, both schools are proud to share values of Inclusion, Respect, Justice and Compassion, in line with our Catholic Identities.

St Mary's College is Melbourne's first inner city Co-Educational Catholic College. We are passionate about creating an environment that fosters the social and academic development of young people for their modern world. Our school is not only a place full of opportunities to excel but where you and your family will be welcomed, listened to, and supported.

In light of our schools' close proximity, and ongoing collaboration in providing enrichment and engagement opportunities for St Mary's Primary School students, *we warmly invite you to join us for an exclusive St Mary's College Talk and Tour on Thursday 11 May at 3:45pm*.

*Registration for this event is required. Please follow the link below to register by Thursday 4 May.*
