

# Rangeview Animals 2019-20

Our chooks, guinea pigs and rabbit live in the chicken coop in the north-west corner of the school. The chooks are let out every school day to free range around the school. They are looked after on the weekends and holidays by our many wonderful school families and during the school week by different Levels.

Rostered families receive the key on Friday after school. On Saturday and Sunday they check on the chooks' welfare, feed them fresh kitchen scraps, clean their coop and replenish the water and dried feed containers.

**The family on duty gets to keep all the eggs that are laid during the weekend or holidays.**

They also check the furry animal food and water containers on Saturday and Sunday and clean the guinea pig box. As well, they bring the furry animals fresh greens like weeds and green vegetable scraps. The tools needed are located in the hay shed in the guinea pig/rabbit enclosure.

The Rangeview Animal Roster operates for a year and most families get a turn for one or two weekends over the year and/or for 3 or 4 days of the school holidays. The roster with names and contact numbers/email addresses is emailed only to those families on the Roster. This is one school program that depends totally on the support of our families to keep it running so successfully at Rangeview. It helps make our school such a special place.

If your family would like to join the Rangeview Animal Roster for 2020 and the 2019/2020 Holidays please return the animal roster form by email ASAP.

Our Rangeview community is extremely grateful to all who have looked after our animals in 2019. Especially to those families who managed to get 'yucky' jobs such as cleaning out the smelly hay, chook pooh, and so on. Our animals stay happy and healthy due to your commitment and care.

**Existing Animal Roster families will stay on the roster. Please let us know if you need to retire.**

Thank you again, Level 3 Flora & Fauna
