

LILYDALE HEIGHTS
COLLEGE

Tuesday 28 March, 2023
College Tours from 5.45pm – 7pm | Presentation at 7.30pm

The background image shows two young boys in white lab coats in a classroom. They are looking at a large anatomical model of a human torso, which is cut open to show internal organs like the heart, lungs, and stomach. One boy is pointing at the model. The room has educational posters on the wall. A large blue abstract graphic is overlaid on the right side of the image.
